

Add-Ons

Using the "Add-Ons" button below, complete the contact form and select which youth project you would like to "add-on" to.

If you have not yet registered to be added to the add-on list, and have your name posted on the website, please [click here and complete the form](#). **There is up to a 24 hour turnaround time period before your name will appear.**

You must complete ONE CONTACT FORM, PER ADD-ON.

However, you may complete the contact forms, noting your donation amount for each, then donate in one lump sum.

Example: I want to add-on to John's Steer Project and Jane's Rabbit Project. I would fill out the contact form for John, specifying \$20 donation and selecting John from the drop-down menu, and submit. Then I would complete a form for Jane, specifying a \$30 donation and selecting Jane from the drop-down menu, and submit. I then can "add on" \$50 all at once, and proceed to checkout.
